This is to notify you that a corporate decision has been made that your employment with Westinghouse Electric Corporation is terminated as of 22 March 1982 for the following reasons:

- o Your totally unacceptable performance in a meeting with the customer at a MICOM meeting on February 23, 1982, your refusal to accept in any way that your performance was improper and unacceptable, and your indication that you would act in the same manner in the future in a similar situation.
- o Continued low performance as evidenced by minimum merit increases over an extended period of time, with no indication of improvement.

We regret the necessity for this action, but your refusal to accept the need for improvement or the impropriety of your conduct leaves us no reasonable alternative.

Any insurance or other benefits that are applicable should be discussed with Mr. Tom Taylor, Birmingham District Administration Manager.
